This concept drink with functional ingredients is one you do not want to miss! Together with our Beverage development partner PREfresco we created a refreshing brain and energy booster. While Brainberry® has clinically proven to improve eye-hand coordination, the caffeine will increase mental alertness and physical energy. Try our 1-2-Tester Brain Booster and recipes will be shared with ordered bottles. And of course we can work with you to add your personal twist and signature for your winning brand. Possibilities with 1-2-Taste ingredients are endless. Availability per batch produced is limited, so order quickly to secure your 1-2-Tester bottle(s) of this Brain Booster!  
*Order before July 27 - production starts shortly after.*
