**HASKAP  
NEW FRUIT  
IN EU**

- Haskap plant (*Lonicera caerulea*) is native to Japan & Kamchatka.
- The berries were traditionally used by Ainu aboriginals as "the elixir of life" (*Thompson, 2006*).
- We care about compounds haskap berry contains on each step: cultivation, harvesting, processing.
- Haskap powder is an excellent source of anthocyanins.
- Enjoy 1-2 teaspoons in your shakes, smoothies, cocktails or deserts.
