The 'all natural' and 'vegan' trend is one that cannot be missed. 1-2-Taste has a broad variety of ingredients for your plant based products. Together with TeamTastemakers, our partner in product development, we developed a delicious vegan burger. Try this 1-2-Tester with natural ingredients from 1-2-Taste suppliers! How it works? Order the **Vegan Burger Mix Box**, receive samples of the necessary ingredients as well as a step by step recipe instruction and pan fry or bbq your burgers.

Do you prefer a personal twist to this burger? Don't hesitate to contact us and we will work with you to adjust to your liking.
