PRODUCT SPECIFICATION

Cucumber puree, acidified, aseptically filled, frozen, carton 18 kg

Sensoric properties

Color (visually)

Green

Aroma

Aromatic, typical cucumber

Taste

Fresh, acidic

Recommended shelf life and storage

Retest after	Months	24
if stored	°C	max. -18

Legislation information

Residues of pesticides: in compliance with Regulation (EC) No. 396/2005 and subsequent amendments.

Residues of contaminants: in compliance with Regulation (EC) No. 1881/2006 and subsequent amendments.

Packaging material intended to come in contact with foodstuffs meets the requirements of European legislation in force.

According to European legal requirements neither GMO nor allergen labelling is necessary.

Remarks

This product is pasteurized, which means that vegetative microorganisms have been inactivated.

Spores however can survive a pasteurization. This will not cause a problem in our product if kept at storage conditions as indicated on our specification.

It remains the responsibility of the customer to ensure that the use of the product and subsequent labelling is in compliance with relevant legislation.

The product that SVZ International B.V. supplies is not intended for direct consumption.
