# GLOSSARY

|                  |       |   |
|------------------|-------|---|
| Net weight       | ----- | It is the weight of the product without including the weight of the container or packaging. |
| Gross weight     | ----- | Product weight including container and packaging weight.                                    |
| Individual Boxes | ----- | Contains the product inside.  |
| Master Box       | ----- | It contains one or more inner boxes inside.   |
| Stowage          | ----- | Proper distribution and placement of cargo on a boat.                                       |
| FCL              | ----- | Full container load.  |
| FTL              | ----- | Consolidated loads, (less-than-truckload) or full truck.                                    |
